

BRAD PRESTON

Web Developer

Resume Objective

I'm a passionate and driven self taught web developer. I believe that I would be a valuable member of a development team because of my easy going mindset along with my stubbornness to fix the bugs in front of me.

Experience

Guitar finisher

Heritage Guitars, Kalamazoo, MI | March 2021 - May 2021

- Clean and file fretboards to send to final QA
- Buff the guitar so the finish is beautifully glossy
- Maintain a steady pace as to not slow down production
- If salvageable, repair fretboards and lacquer in necks

Locksmith

Presidential Safe and Security, Kalamazoo, MI | January 2019 - March 2021

- Cut new or duplicate keys and stamp with the appropriate identification
- Work closely with security personnel to assure that all locks are working and working well
- Pin new cores with the appropriate pin stack for the keys with required access
- Maintain discretion when dealing with high security locks and the master key system
- Disassemble locks to repair and replace worn tumblers, springs, and other parts

Trim Carpenter

JB Preston Construction, Vicksburg, MI | March 2018 - January 2019

- Cut trim safely using a miter saw, table saw, jigsaw or coping saw
- Read kitchen/bathroom plans for installing cabinets and building built-in shelves/storage
- Installed trim around doors and windows assuring that the joints were properly aligned
- Installed baseboard so it sits nicely on the floor and corners were appropriately aligned
- Provided solutions for clients when unexpected issues arose

Night Stock

Family Fare, Vicksburg, MI | January 2018 - March 2018

- Served customers with a friendly attitude and assisted them with excellent service
- Loaded and organized shelves and assisted with setting up displays
- Maintained a clean and organized environment for the safety of customers and employees
- Read labels and checked products to ensure that no outdated or damaged products were placed on the shelves

Carpenter

JB Preston Construction, Vicksburg, MI | May 2011 - January 2018

- Read blueprints and building plans to assure that the house is being framed properly
- Installed doors and windows
- Measured, cut, and shape wood according to the blueprints
- Constructed frameworks such as walls, floors, door frames, and window frames
- Inspected and replaced damaged or broken framework
- Kept the job site clean and organized to ensure the safety of employees
- Installed siding and shingles
